

It's Time to Cut My Nails

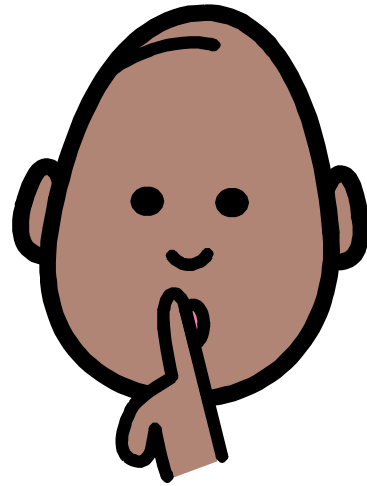

Created By: Speech with Ms Michelle - 2013 (Updated 2023)

Made with Mayer-Johnson Picture Symbols from Boardmaker

Photographs by M. Flammia

I will sit quietly while
an adult cuts my nails.

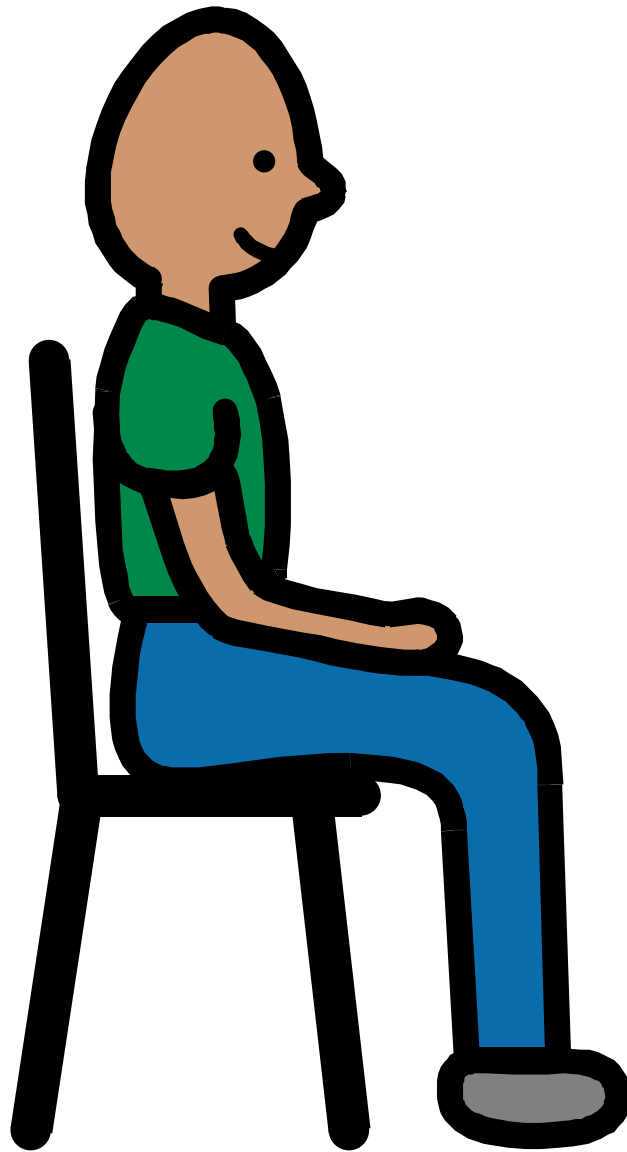

An adult will use nail
clippers to cut my nails.

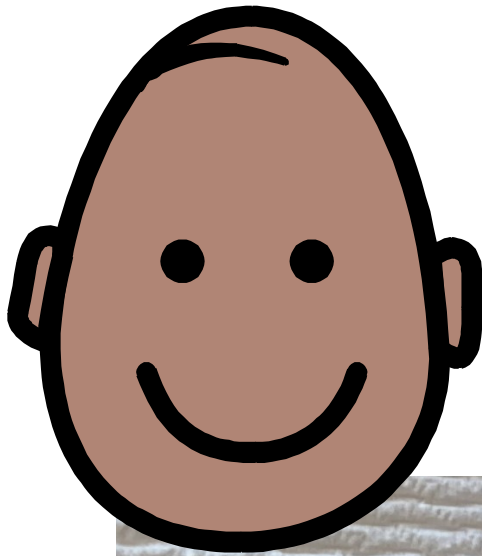

An adult will hold my hand
when they cut my nails.

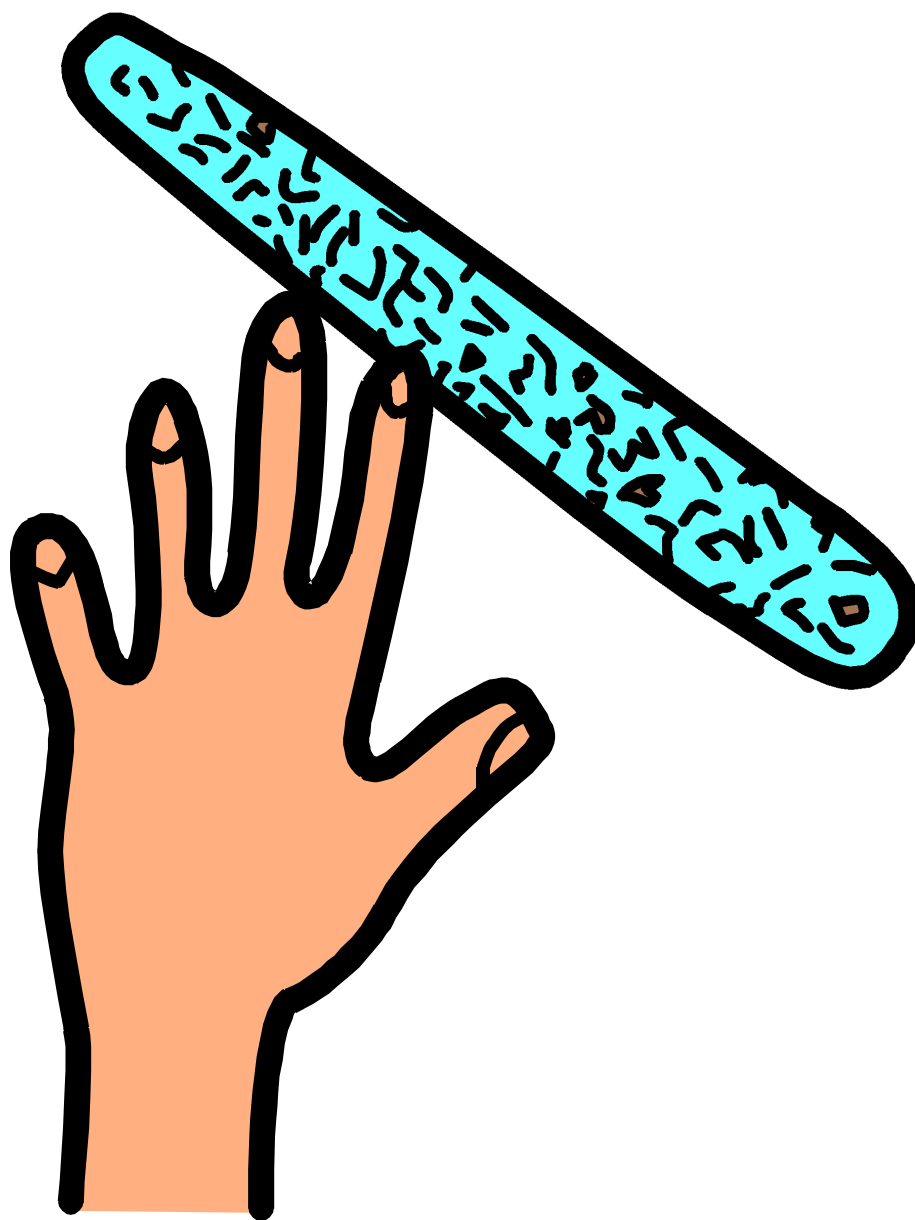

I will sit still.

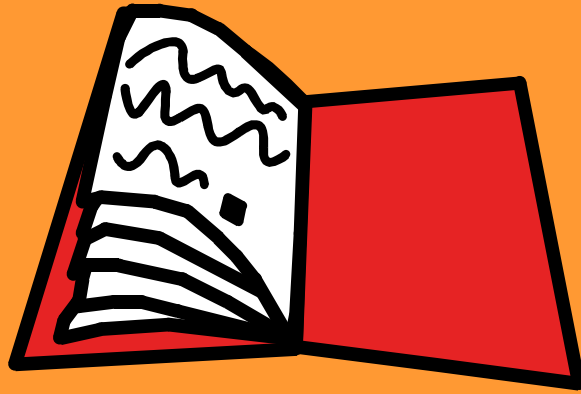

We will be happy with my
short, clean finger nails.

An adult will file my nails
so they cannot scratch me
or anyone else.

The End

All Done
