

Individual progress

Emerging Learners

Year A:

Gold Award

Self - Care

I know why we have to wash our hands at different times.		
I know why we clean our teeth.		
I know why we keep our bodies clean.		
I am beginning to be able to style my own or others hair with simple styles.		
I can be involved in washing clothes.		

The World Around Us

I can consider the benefits of holidays abroad.		
I can explain what a holiday is.		
I can share information about my own experiences of a holiday or a character's in a story.		
I can choose holidays that I might like to go on.		

Community Involvement

I can participate in school trips outside of the local community safely.		
I can observe how bus stops and train stations are used.		
I am developing my knowledge of communities outside of my own.		
I can ask questions about other communities.		
I know different places in the community that I can go to for help.		

British Values

I can notice differences between myself and my peers.		
I can notice which communities I am a part of.		
I can participate in activities linked to significant historical events.		

Life Skills and Employment

I am beginning to ask others about their own interests.		
I am beginning to participate in turn - taking games.		
I can predict how my arousal might change during certain activities.		
I can make some basic verbal requests.		
I can participate in maintaining a tidy classroom by hoovering, sweeping and mopping.		

Rights & Responsibilities

I can recall common school rules.		
I am beginning to understand how rules make things fairer for everyone.		
I contribute towards keeping the wider school environment clean, safe and tidy.		
I can predict what might happen if a rule is not followed.
