

Sports Premium Plan 2025/26

At Westfield, our main aim is to increase pupils' ability to participate in physical activities in a positive way. Pupils may experience a number of barriers which impact their ability to take part and staff must have the confidence and training to scaffold and support pupils while they participate in a variety of physical activities. We have utilised the funding to contribute to the following specific areas:

- Extending sporting opportunities through different activities
- Specialist coaching related to our need
- Staff development and training

It is vital that our children continue to keep active for not only their physical health but also their mental health too.

Academic year

2025-26

Sports Premium Budget: £16,860.00

Action	Intended outcome	What is the evidence & rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Premier Education Sports coaching	In addition to PE lessons, Premier Education coaches will support the rounded development of children at Westfield	Lessons from qualified sports coaches that are engaging with a focus on skill development, building character, and encouraging creativity and confidence.	Learning walks/Observations with feedback	DB	July 2026
Hays coaching – PT sessions	1-1 sessions/small group sessions to improve cardiovascular fitness, strength building and coordination To improve children's grading of movement, emotional regulation,	The benefits of exercise are widely known, with improved cardiovascular health, muscle tone, mental health and general wellbeing. For those with additional needs they can be even more beneficial. Improved muscle tone can help with conditions such as dyspraxia, helping to improve	Learning walks/Observations with feedback Half-termly review	DB	July 2026

	bilateral coordination, self-confidence and general well-being.	control over the body. Bodyweight exercises can provide a great deal of much needed sensory input.			
Additional outdoor equipment Additional indoor	To provide relevant equipment to meet the needs of all children at Westfield	Due to our recent intake of reception children, there is a need to review existing equipment and add to our current resources to ensure that all children are able to fully engage during PE sessions.	Learning walks/Observations with feedback	DB	July 2026
Estimated cost					£16,860.00
