

6th May 2025

Dear parents and carers,

Parent sessions/ workshops

I am writing to you to inform you of parent sessions/ workshops for next half term (separate emails will be sent with links to register your interest in attending)

There will be 3 different sessions. Please see the descriptions below.

- 3rd of June “Parent Workgroup”
- 17th of June “Community nursing team”
- 2nd of July “Changes for next year at Westfield”

Tuesday 3rd of June 1:15pm - Westfield parents work group: Michelle Dodge

Would you be interested in joining a workgroup? I would like to have the parents’ voice in regards to Westfield’s parent support and communication. I am hoping to find out what is working well, and what elements parents would like that is not part of our current support. I would like to know what type of support parents would have liked as a new parent to the school, versus what you predict you might need as your child moves through the school and into secondary.

If you are interested in coming along to have a good chat with your fellow parents, and helping me in the process (I will bring biscuits!), please look out for a separate email to register your interest.

If you are unable to attend, but have ideas for me, please feel free to email your suggestions.

I look forward to seeing you soon, and thank you in advance for your support!

Thursday 17th of June 1:30pm - Community nursing team: Helen Watts

You are invited to attend a session with Helen Watts from the Community nurses for children with a learning disability team. This will be held Tuesday 17th of June, at 1:30pm. Please come along to learn more about the service and how they might help you at home. Helen will be doing a presentation which will include a brief overview about the team, Learning disabilities, Toilet training, Behaviour, Sleep and resources.

Also, please forward any questions about your child’s health to school beforehand and then they will be answered anonymously on the day.

After the presentation, there will be time for question and answers.

Wednesday 2nd of July 1:15pm - Changes for next year at Westfield: Senior Leadership team.

You are invited to attend an information session to talk you through our changes for next year. We will be discussing our class organisation and structure. We will also be showing you how to use the apps we will be using for parent communication, and our attainment and progress tool.

Yours Sincerely

Michelle Dodge
Senior Assistant Head
